Training in Mathematics

This training is free

Department
for Education

What is TSST in Maths?

- ✓ It is designed to improve the maths subject knowledge of **non-specialist teachers by offering school-led teacher subject specialism training**. It would suit **non-specialist teachers** who could potentially teach maths in addition to their main subject and also for **teachers who wish to re-train or extend their current experience to teaching maths**.
- ✓ **It would provide training to colleagues from primary schools wishing to upskill to teach GCSE Maths**.
- ✓ It provides **support to teachers wishing to return to the profession** through access to subject specialism training in a key curriculum area.

Mathematical content

- ✓ Four modules covered: **Number; Algebra; Shape, Space and Measure; Handling Data – Updated for the maths 2017 curriculum**.
- ✓ Sessions include maths content and also '**pedagogical content knowledge**'.

Delivery

- ✓ The training will be **extensive, running from October 2018 to June 2019**.
- ✓ Delivered at two **separate hubs – Sunderland and Lanchester**
- ✓ We will offer a 'blended' learning experience:
 - **4 face to face Saturday sessions** of high quality instruction, facilitated by outstanding maths teachers/SLEs/Lead Practitioners;
 - Comprehensive **E-Learning** provided by the '**Centre for Innovation in Maths Teaching**' at **Plymouth University with Masters Level credits - worth £910**.

Our launch event and initial twilight session will take place at 4 p.m. on Tuesday 16th October 2018 at Durham Cricket Ground

Please note, to gain accreditation for this course there is a requirement for participants to attend the four Saturday sessions and also to pass on-line tests.
