3<sup>rd</sup> April 2020

Dear Parent/Carer,

Hoping that you, your family and your son/daughter are well. I hope that you manage to get a decent break, if under different circumstances than usual, this Easter.

Today marks the last day of term 2 and the last couple of weeks have been very different. We are aware from staff at all levels that families and girls are finding this period of self-isolation a challenge, particularly with regard to education at home.

It is important that everyone has a proper Easter holiday. Staff have been reviewing the last two weeks and planning for next term. We have been reading your various e-mails and considering what is practical and how we will proceed during term three which will need to be different from our current arrangements which were made when we thought this was a temporary situation.

We will be sharing our plans with you towards the end of the Easter break.

Please remember learning at home is very different. We have a "50 top tips" paper attached with some ideas about how to develop knowledge and understanding.

Yours sincerely,

*M. Shepherd.*

Mrs M Shepherd  
CEO/Head Teacher
