Dear Parent/Carer,

As you are aware from correspondence earlier within the academic year, Our Lady of Mercy Catholic Education Trust will merge with Bishop Chadwick Catholic Education Trust in line with diocesan plans.

This merger was initially planned for spring 2020. However, due to matters beyond the control of either trust, the merger was delayed.

The new date has, in recent days, been confirmed as Monday 1st June 2020.

Please find attached a letter from the Chair of the new trust regarding the re-opening of schools within the new trust during the next half term.

Yours sincerely,

M. Shepherd.
